## Fell Races 2009: Jan to end Sept 09.

---

Please note that many races require that competitors carry waterproof clothing, map and compass for the competitor's safety. Failure to comply with a race organiser's requirements will mean that you will be barred from taking part in the race. **Competitors should arrive at races prepared to carry any or all of the following equipment: Windproof whole body cover, other body cover appropriate to the conditions, map and compass suitable for navigating the course, whistle, emergency food (long races). This equipment is mandatory at all Cat A Long and Medium races.**

If this is the first time you have considered fell racing select a race distance well under the distance you normally run on the road.

If you retire during a race you **MUST** notify the officials at the finish.

**If you like the idea of fell running and would like to have a go please speak to one of the regular fell runners within the club or seek guidance from the FRA website/book. FRA Website:**
