

Hi All

2nd May 2008

This is another letter about the weekend away 20th-22nd June! It's only short but next time I'll include an immaculately planned and gold-leafed timetable.

Meanwhile, collating information from memory and various scraps of paper, here are details of people who are coming. Apologies if you took the time to write everything on my clipboard at the club; I've hardly been there lately and I don't know where it is now (the clipboard, not the club). Please look at the list below and let me know if you expected to be on it but are not, or vice-versa, so I can sort it out. Also, please let me know if any of the other details are wrong. If you do want to hire a bike then please tell me your height.

It's not too late to say you're coming if seeing the list of names has suddenly persuaded you that it's a good idea after all. Feel free to contact me if you want to ask anything.

Lisa
