Championships (except for the fell race) must be pre-entered as per the entry form. Prior to the race, keep in touch with your club rep, who will have greater details on each race, including directions. Idle AC's is Chris Smith.

If details of the race have to be changed, your club rep will be informed and watch for latest information on our website, [www.yvaa.org](http://www.yvaa.org)

**Your race number for the season will be issued at your first grand prix race of the season. If you forget to bring this to a subsequent race you will be charged an extra £1.**
